Kids@Play is working to be an inclusive environment for children of all abilities and needs. If your child would benefit from meeting our staff, exploring the space, and seeing the toys to become more comfortable prior to joining us during regular programming, we would be happy to arrange that for any site. If there is something we can have available (or make sure not to have out) to make your family feel more comfortable and welcome, please let us know! Call Carrie at 204-791-0956 to arrange or discuss how we can make your experience better.
